Psalm 121 is a precious psalm that reveals the protection and comfort of God. It's easy to memorize, yet powerful to recall when the journey gets steep, and you need to remember who God is and how He has promised to help you along the way.

These cards are designed to help you memorize this psalm. First, read the verse on the front of the card, then flip it over to find a memorization tool that uses the first letter of each word to help you commit this psalm to memory. Once you've memorized that verse, move on to the next card. You could also use these cards as mini art prints and place them around the house as reminders of God's promises.

With joy,
